

In the Court of Appeals of the State of Alaska

Ronald Burkher Katchatag,
Appellant,

v.

State of Alaska,
Appellee.

Court of Appeals No. **A-13148**

Order

Date of Order: **May 19, 2020**

Trial Court Case No. **2UT-16-00093CR**

The Appellant's attorney, Jane Martinez, has moved to stay briefing in this appeal pending the reconstruction of what appeared to be an unrecorded portion of the first day of the jury trial, during which the parties discussed the admissibility of evidence that is pertinent to this appeal. But the Clerk's Office has discovered that the proceeding was in fact recorded. For this reason, the motion to stay the briefing is **DENIED**.

Because it appears that the proceeding was designated as part of the appellate record, the audio recording (which is about 26 minutes long) will be made available to both Ms. Martinez and to the State's attorney (the audio will also be placed on the court's server). To allow Ms. Martinez an opportunity to review the audio, the Appellant's reply brief is now due on or before **May 29, 2020**.

Clerk of the Appellate Courts
